## PROFESSIONAL PROFILE

I am an extremely hard working, determined and confident individual. Highly creative and resilient, passionate about my work, I love new challenges and can be quite obsessed about them. Very social, I enjoy sharing and cooperating with other people in design project. Meeting a deadline is a matter of honor for me and I seem to develop some kind of allergy to unprofessionalism and inconsistency.

## EDUCATION

- High College Diploma in Graphic Design  
2008-2011, AAS Art & Design College Thessaloniki, Campus of Central Lancashire University, UK.  
Acquired design skills such as Adobe Creative Suite, creative philosophy thinking, organizing workflow, working in a team, respecting design guidelines.
- French Language and Literature  
2005-2008, Aristotle University of Thessaloniki, Greece  
Acquired skills such as teaching language, translations, teaching psychology.
- Baccaloeat STI Optical Systems  
1999-2002, Lycee Leonard de Vinci, Paris  
Relevant course: basic computer programming.
